

CHRISTIAN VALUES NOW MORE THAN EVER!

We Emphasize the *'s of Education*

...Academics:

Our state-certified teachers present a challenging curriculum for students from preschool through sixth grade. Our students consistently surpass the national average by 10-30 points on the *Stanford Achievement Test*. We maintain smaller, manageable classes to ensure interaction while providing individual attention.

...Biblical:

We're a non-denominational, evangelical school where Biblical principles are taught every day and students attend chapel weekly. Through our approach, students are not only encouraged to achieve academic excellence, but also to grow in their faith.

...Community:

We care deeply about the people around us, so our students are encouraged to engage in the community, both locally and internationally. Our students experience field trips on a regular basis and have access to international missionaries. Last year, we welcomed missionaries from the Czech Republic, Peru, the Philippines and other parts of the world!

NOW enrolling for fall classes!
