Entertainment by *Jerome James* and the *Reeves Bell Choir*...

Jerome James is a "transplant" who moved to our area from New Jersey in 1996. Jerome's versatility and superb song stylings, as in Sinatra, Nat King Cole, Tony Bennett, and many more, continue to thrill audiences throughout our area.

Audiences also enjoy Jerome's uplifting gospel music when he sings at area churches, and other gospel events. Jerome has become a favorite to so many in our community, which he and his wife, Lori, now call home
